EDUCATION

Institute of Technology, Nirma University (Ahmedabad, India)
Bachelor of Technology, Computer Science and Engineering(CSE)

Sep 2022 – Present
GPA: 8.95/10

TECHNICAL STRENGTHS

Programming Languages	C++, Java, JavaScript, C, HTML, Python
Database Tools/Languages	SQL*Plus, MongoDB

RELEVANT PROJECTS

- FitFreaks** ([Github](#)) ([Live Demo](#)) Feb 2024 – Apr 2024
- Developed a **Full-Stack** Fitness Tracker using the **MERN** stack with a focus on *graphical workout representation*.
 - Implemented seamless *User Authentication*, *State Management*, and *Modular Components* to enhance user experiences. Utilized *React Router* for efficient navigation and *Local Storage* for persistent user data.
 - Tech Stack Used** : MERN
- Cricket Player Statistics Management System** ([Github](#)) Nov 2023 – Dec 2023
- Developed a robust C++ application using advanced **Data Structures and Algorithms** (*Linked List, Priority Queue, Maps, etc.*) to streamline cricket player statistics management.
 - Integrated seamless *JSON* file support for efficient storage and retrieval of cricket match datasets, enhancing data persistence.
 - Technologies Used** : C++
- Learning Management System** ([Github](#)) Oct 2023 – Nov 2023
- Designed and developed a robust Learning Management System (LMS) in Java, emphasizing seamless execution and user-friendly features through **Object-Oriented Programming**.
 - Technologies Used** : Java

HACKATHONS

- ClientConnect** ([Devfolio](#)) ([Video](#)) Apr 2023 – Apr 2023
- Contributed to the collaborative development of ClientConnect as part of a team in **HACKNUTHON 4.0** by CSI (Nirma University).
 - We achieved a **top-10 ranking** out of approximately **50 teams** in the competition within our track, showcasing the project's excellence.
 - Technologies Used** : Sqlite , Flutter

ACHIEVEMENTS

CodeForces for solving **200+ problems** and have a rating of **1075**. ([CodeForces Handle](#))
LeetCode for solving **100+ problems**. ([LeetCode Handle](#))
Secured **8th** and **16th** positions in two Codeforces contests hosted by **Code Adda**.
Obtained **96.59** percentile in **Joint Entrance Examination (JEE)**.

CERTIFICATES

1x Academic Excellence Certificate (Nirma University)
3rd SEM for scoring 9.43 SGPA

2x Certificate of Scholar (Nirma University)
1st and 2nd SEM for scoring 8.57 and 8.83 SGPA respectively

ORGANIZATIONS

Computer Society of India (Nirma University)
Code Adda (Nirma University)
Data Science Club (Nirma University)
Google Developer Student Club (Nirma University)
